

19th February 2019

Dear Stakeholder

It is with sadness that the Management Committee announces that Family InSight will cease operating from 29 March 2019. It has been a difficult but necessary decision to relinquish funding and to cease operations.

As part of our transition plan, no new referrals will be accepted, however assistance with alternate support will be provided up to 22 March 2019. Our clients will be supported through to their natural service exit or will be offered a referral to an alternate support service.

All scheduled Networks of Practice training events will proceed as planned. Information and updates on these events will be available via the ticket register platform Humanitix.

On behalf of Family InSight, I sincerely thank all the organisations and individuals that have supported our work over our 19 years of service.

If you would like any further information before 29 March 2019 please contact the acting Manager Jo Trethowan on 02 4961 0700 or email her at jo@familyinsight.org.au

Yours sincerely
